Artist Call Out
Underwater Reverie at Bondi Beach
NYE 2025

About Us

We are Curious Legends, a theatre company that believes in the inherent wonder of the world around us. Through light and shadow, we aim to inspire kids and their adults with the magic of theatre. Our shows and workshops embrace laughter, magic, and the mysterious worlds of our imaginations!

Founded in 2005, the last 20 years have taken us across the globe. Our team of professional artists has performed on the streets of Germany, toured shows through the jungles of Borneo, explored the cities of Taiwan, and become a regular feature of many festivals throughout Australia.

This New Years Eve, we're collaborating with Elrow Family to bring our show 'Underwater Reverie' to Bondi Beach! This will be part of a MASSIVE party Elrow is throwing, which our puppets will feature at. We'll be sharing 5 x 25 minute shows across the evening, and relaxing in the green room between.

Keen to party with us for New Years? Come make magic with us!!!

Role Overview

'Underwater Reverie' will be a roving performance with our illuminated puppets – involving our Giant Whale and Massive Stingray, alongside our baby Whale and Pelican puppets.

We'll be sharing 5 x 25 minute shows across the evening, with the first being in the 'Kids Zone'. The rest of the performances will be in the main area of the event.

We need 25 artists to bring this show to life! Could this be you? It will be a fun evening, where you will be working as part of a team to animate these illuminated giants.

We're looking for enthusiastic applicants who share our passion for spectacle theatre, puppetry, and imaginative storytelling:

- Collaborative local artists (accommodation is not provided) who are comfortable performing in front of large crowds
- Must be 18+
- In love with performance, able to work in a team and follow directions
- Punctual, reliable, dedicated, and committed to the collaborative process

We value individuals who are eager to contribute to bringing our work to life! While prior experience with puppetry is preferred, it is not essential – we will provide training where required.
